INTERMEDIATE ARTISTS

Durham Integrated Arts Camp 2023 (DIAC)

Durham Integrated Arts Camp (DIAC) is an intensive Arts exploration opportunity for Durham District School Board (DDSB) students with a passion for Music, Visual Art, Music Theatre and Dance. The philosophy of this camp focuses upon the immersion of students in a creative outdoor culture where learning in, about, and through the arts encourages each child's "voice" to be heard, fosters a culture of inclusion, and celebrates the diverse talents and skills that every child can nurture in this unique educational setting. Supporting these goals is an energetic, talented, and dedicated DIAC team which includes DDSB teachers, professional artists, and guest artists. This creative learning environment provides students with opportunities to develop a deeper understanding of their art, their abilities, and their lives by making authentic personal and intrapersonal connections among the arts disciplines.

Highlights for DIAC 2023

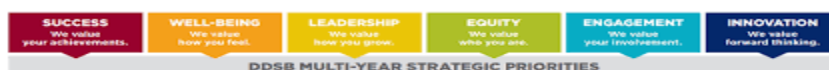

- New streamlined Registration Process
- Two Student Leadership Training Days in June 2023 for prospective Counselors and CIT's.
- Students who will be in grade 7 to 12 in September 2023 are eligible to participate.
- Study Hall period is optional for students (A Study Hall opportunity will also be available during the afternoon Free Time session)
- Four daily program sessions striking a balance between a major art focus and opportunities for self-selected electives.
- Camp wide leadership focus for all students (emphasis on taking the DIAC "spirit" back and having a positive community-based impact at their home schools)
- New evening Campfire Program
