Our theme at Carruthers for the month of December is Kindness. Throughout the month, all of us will have opportunities to demonstrate our kindness towards one another in a multitude of ways. Acts of Kindness may include saying and/or writing a thank you note, holding the door open, letting someone go first in line, donating an item to our Gives Back program and so forth. We look forward to share our kindness with one another.

Grade 4-6 Reptilia Experience! By A Grade 6 Student

On November 22 is when Reptiles were brought into the classes of the 4's, 5's, and 6's. Each class got to meet 5 awesome animals: snakes, lizards, and tortoises. I'm gonna start by talking about Pandora. Pandora is from the United Kingdom, she is a Lily white crested gecko. Very small, she was the size of our palms! Pandora was a surrender and was brought to Reptilia where she is now given a great life. We got to pet Pandora and she got to walk on our desks, was so cute so many students wanted to take her home. Have you ever heard of a corn snake? Well we got to meet a corn snake named Kurnle. Kurnle is from the southeast and central United States. We all got to pet him, he felt so smooth and soft, he also got to sit on our desks and just wriggled around. Ok now i'm going to tell you about Guss. Guss is a 25 year old tortoise. We got to hold him and he was a lot heavier than we thought he would be, he was so cute! Next we also got to meet Cheeto. Cheeto is a bearded dragon, and he was this nice vibrant yellow orangish color. We also got to hold Cheeto, his belly felt nice and soft and squishy, but he looked really cool. The girl Brooke who was showing us the reptiles said that she might rename him to mango because his color was a mango yellow. Now there is Starburst. Starburst is a Common blue-tongue lizard. Just like Guss and Cheeto we got to hold Starburst and again nice soft, smooth scales very cute though. Now we also have another snake named Fluffy. Now Fluffy was not that fluffy. Fluffy is a Ball Python, Fluffy got to wriggle around on our desks and we got to hold Fluffy. Though she didn't quite fit on our arms. There is another tortoise named Henry. We got to hold Henry. He was also heavy. Joker is a gray python. Joker was smooth and soft. He got to sit on our desks. It was really fun getting to see and meet all these unique animals!

SCHOOL LUNCH PROGRAM UPDATE

We would like to thank you for your patience and understanding as we worked through the technology disruptions this past week. The DDSB IT Services Team continues to work to restore all services. Our School Cash Online account is now up and running.

Our November 28 (Subway) and November 30 (Pizza Pizza) missed orders are re-scheduled for JANUARY 9 (Subway) and JANUARY 11 (Pizza Pizza). You are not required to re-order. All orders will be automatically fulfilled. Any parents who would like to place a new order for January 9/11 may do so.

Math Coyote Night on November 24th was a HUGE success! Thank you to our SCC members for creating a wide variety of Lego math activities for our students to engage in. We had over 200 Coyote students take part in this event. Congratulations to our Lego Passport winners:

Kindergarten - Liana

Junior - Yatra

Primary - Andrew

Intermediate - James

We look forward to another Coyote Math Night in the New Year.
