Week of Jan. 10th

WE ARE

"ALLERGY AWARE & NUT FREE!"

Dear Coyote Families,

First, I would like to share, I am in awe of so many of you. With the provincial announcement last week, all of us had to pivot, once again. To CCPS staff, you have collaborated with one another and are providing your students with many engaging activities. You continue to demonstrate your positivity and compassion towards your students. To our parents and caregivers, you are unbelievable. You have learned to multi-task to support your child's learning and well-being, while continuing to fulfill your own daily responsibilities. Thank you for your support and kindness you have demonstrated throughout these times. To our Coyote students, I am delighted to see you on the screen when I pop into the different google meets. It is refreshing to see your faces and to take part in your learning. I know this is tough, perhaps even tougher than the last time having to be online. All of us are "Learning for Life" and I want to express how much I value and appreciate you at CCPS. So, as we say, "WE got this."

We deployed over 150 chrome books last week. Ms. Allen and Mrs. Burke rocked it! Unfortunately, we do not have enough devices to accommodate more than 1 device per family. If your family requires a chrome book, please reach out to the school.

As we receive updates about next week, we will share information with you as quickly as possible. If you have questions, please do not hesitate to reach out to your child's educator or to the office.

Embrace,

S. Pipher-Hogg
