With only a few days to go, I am left wondering, "Where did this school year go?" We began late August hiring numerous new Coyotes educators, welcoming everyone back to in-person learning, being adaptable to the many health code protocols, celebrating not having to cohort when playing outdoors, pivoting from in-person learning to virtual during the early part of the school year, returning to In-Intermediate rotary, providing opportunity for extra curricular activities, being back in the building for the spring time in more than 2 years, reporting of ongoing cases, our weekly Spirit Days, welcoming families and volunteers back into the building, our Grade 8 students attending their graduation followed by their celebration at the Convention Center, and announcements about staff, are just a few things that resonates with me.

Throughout it all, we can not thank you, our Coyote Community family, for supporting us and demonstrating kindness, even during some of the most challenging times. We continue to build on our foundation as learners but most importantly, being good people.

The next several days will be busy ones. On Monday, Rexy the Rap Dad is performing to our Primary students. On Tuesday, we will have our last virtual assembly, followed by our schoolwide Clap Out in the afternoon just after 3 pm. On Wednesday, our students will have the opportunity to have some closure within their homerooms. We would like to extend a huge "howl-out" to both Mrs. Allen and Ms. Middlestadt and their leadership team for their creativity and leadership throughout the school year with the weekly spirit days and theme weeks. It continues to bring us closer as a Coyote family. We would like to thank all of our staff for their professionalism and demonstrating the care they have for everyone.

Within the month of June, we have mixed emotions. For some the excitement builds for the upcoming summer and perhaps some of the activities ahead of them, and for others they will miss the daily routine of getting up and being at school with friends and the learning opportunities. In this month, we also say goodbye to some of our Coyotes. For our Grade 8s we wish the all the best as they transition to high school and for our other Coyotes students moving to new schools. Last week we outlined our educators who will be on leaves next year or moving onto a new experience. You will always be Coyotes and we wish you well.

We want to wish all our families a safe and health summer. The office will be closed from July 1st until August 29th. We look forward to seeing everyone in September.

Embrace the good things,

Mrs. Pipher-Hogg

MEDICATION PICK-UP

If your child has medication (e.g., EpiPens, puffers, etc.) in the office, please make arrangements to pick it up. Medications not picked up will be sent home with students on the last day of school.

Thank you.
