Special Guest: Andrea Hammond will join us at our next SCC meeting to addressing the Anti-Black Racism & Its Impact Toolkit. The Toolkit was developed to provide racially competent resources to Black families; however, its content can be beneficial for all communities seeking greater understanding of the impact of Anti-Black Racism.

Please join us April 1st @ 6:30 for a 30 min presentation

COVID SCREENING UPDATE

We would like to thank you for your ongoing patience during these uncertain times. Public Health can contact the school at any time during the day and into the evening which leaves us with very little time to communicate to our CCPS families. We understand that notices happen unexpectedly and this has an impact on families. We appreciate your ongoing support and flexibility to adjust to the ongoing changes.
