Week of Mar. 21st

WE ARE

"ALLERGY AWARE & NUT FREE!"

WELCOME BACK!

Along with the sunshine this morning, the positive energy was awesome. It is so nice to see our students back following the March Break. As you are aware the province has announced updates to health and safety measures. The updated public health measures for schools will also be in alignment with the measures found within the broader community.

Staff and students will continue to self-screen and self-isolate as needed. The Ontario School Screening Tool has been updated to align with the COVID-19 Integrated Testing & Case, Contact and Outbreak Management Interim Guidance: Omicron Surge.

CCPS is expected to continue to report on daily absenteeism through the absence reporting tool and the current expectations for us to communicate self-reported COVID-19 positive test results will continue.

We sincerely apologize for today's miscommunication with Subway. All subs were delivered shortly after the first Nutritional Break.

We are looking forward to the Spring with our Coyotes.

CARRUTHERS CREEK IS A MASK FRIENDLY ENVIRONMENT

Although the masking requirement has been removed in schools, we want to remind everyone that here at CCPS, we are a mask-friendly environment. Anyone (staff, students, parents/guardians, visitors, etc.) can choose whether they want to wear a mask based on their comfort level and personal risk assessment. We ask that everyone be kind, considerate, and respectful to one another and the choices that individuals make on wearing a mask. Thank you for making our school a welcoming and inclusive environment for all.
