Dear Parent/Guardian,

This summer the Durham District School Board will be offering a Virtual Summer Learning Program for Self Identified Indigenous students. The program provides engaging and interactive online summer learning for current Grades 1 to Grade 8 students focusing on developing students' literacy and numeracy skills in a virtual classroom that is culturally relevant and responsive. Students will receive 5 hours of instruction daily. This will include both synchronous (RealTime) and asynchronous (FlexTime) learning opportunities. This program runs for 3 weeks (15 days) beginning July 5 - July 23, 2021. (9:30am - 2:00pm, with two 20 min nutrition breaks).

By registering for the program parents are asked to commit to having their child participate **ALL 15 DAYS**.

Please complete the online registration form at <https://forms.gle/kkPqwa2bdcu9vhvF9> by **June 11, 2021**. Registration is on a first come, first serve basis by age groupings. You will be notified by June 30/21 if your child has been accepted into this program. A wait list will be developed and spaces will be offered as they become available.

If you have any questions, please contact Denise Nickerson at denise.nickerson@ddsb.ca OR Melissa Morton at melissa.morton@ddsb.ca. The teachers of this unique opportunity are looking forward to meeting your children and providing them with an engaging and culturally relevant Virtual Summer Learning Program that focuses on student well being, mental health and language/numeracy development.
