CLASS PLACEMENTS FOR 2022-2023

The process of school planning and organization for 2022-2023 has started. Projected student enrollments and staffing allocations have been provided by the Durham District School Board to each school. In the upcoming weeks, staff will meet to decide next year's classroom placements for students. In doing so, a wide variety of factors are taken in to consideration ranging from academic strengths to social skills, from work habits to balances of boys and girls, from learning styles to class size, as well as Ministry and Board criteria.

Parents are welcome to provide input into this process by contributing additional information about their children (i.e., special circumstances we may not be aware of or special needs that may affect placement next year). While parental input will be considered, final decisions on student placement rest with the Principal, together with the staff, in meeting the needs of all our students. No assurances can be made regarding class placement for specific students.

Parents wishing to have input are to write to Mrs. Pipher-Hogg (susan.pipherhogg@ddsbc.ca) no later than Thursday, May 26th. Our goal is to provide the optimum placement for every child in order to maximize learning for all.

PROVINCIAL ELECTION DAY

CCPS is a site for the Provincial Election Day on Thursday, June 2nd from 7:30 am to 9:30 pm. The parking lot will be even busier than usual and parking spots will be very limited. We encourage all parents to walk on this day if you need to drop off and/or pick up your child. Please park legally in our available parking spaces on school property, along with respecting the Ajax By-laws for parking on the streets.

MISS SAATI

It is with sadness we share, our beloved Miss Saati has been transferred to E.B. Phin beginning July 1st. As a staff we feel blessed to have had the opportunity to work and learn from her each day. Miss Saati is a caring, compassionate person who cares deeply for her students, parents and staff. WE will deeply miss her but know she will continue to enrich so many other students and educators through her actions and words. Miss Saati is 'HOWL-ingtastic'!

Over the next several weeks, we will have an opportunity to meet our new vice-principal, Mrs. Prince. We look forward to getting to know her and we would like to welcome her to the Creek.
