REMINDER

OFFICE PROCEDURES FOR SIGN-OUTS

Please report any early sign outs on the attendance reporting app and we will book an appointment. If you miss the cut-off time, please call the school office to arrange an appointment for pick-up as we need to limit the number of people in the office.

DRESS FOR ALL WEATHER CONDITIONS

The weather is changing and it is much more unpredictable. We will continue to access our schoolyard for Nutritional Break, DPA and Phys Ed classes. It is imperative that students dress for all possible weather conditions, even if they get a ride to school. It is also always a good idea to have an extra change of pants and socks in backpacks, just in case! The following is a suggestion as to what students should have to ensure warmth and comfort: Jacket, Boots, Mitts/Gloves, Hat, Sweater

SCHOOL PHOTOS

The school will be sending home a link to view proofs once we have received this from the photographer. At that time orders can be placed directly on line with Edge Imaging.
