### HALLOWEEN AT CARRUTHERS CREEK

On Friday, October 29th, students wishing to wear a costume may do so. Costumes need to be worn to school in the morning and Halloween masks are not a substitute for a cloth mask; the same expectations for the wearing of cloth masks remains in place. Please refrain from culturally stereotypical costumes along with fake weapons. For anyone not wishing to wear a costume, you may want to wear black and orange for our first virtual Spirit Assembly taking place in the afternoon of October 29th.

Classroom teachers may provide specific communication about activities that may take place throughout the day. Students are required to bring their own Halloween treats and no sharing should be permitted. During the afternoon, students and staff will be participating in a virtual Spirit Assembly where both staff and students will be recognized. We look forward to the Pack getting back together to value the great things taking place at CCPS.
