Class Placements for 2020/2021

The process of school planning and organization for Fall 2020 has started. Projected student enrollments and staffing allocations have been provided by the DDSB to each school. Staff will meet to decide next year's classroom placements. In doing so, a wide variety of factors are taken into consideration ranging from academic strengths to social skills, from work habits to the balance of boys and girls, from learning styles to class sizes, while meeting the Ministry and DDSB criteria.

Parents are welcome to provide input into this process by contributing additional information about their child(ren) (e.g., special circumstances we may not be aware of or special needs that may affect placement). Requests for a specific teacher, a straight grade, location within the building and/or portable are not part of the process.

While parent input will be considered, final decisions on student placement rest with the principal, together with the staff, in meeting the needs of all students. No assurances can be made regarding class placements for specific students.

Parents wishing to have input are to email Mrs. Pipher-Hogg (susan.pipherhogg@ddsbc.ca) no later than Friday, May 22nd.

Questions from Parents

Q. We have spent a lot of money to support our student at home. Is there any funding to help us support their learning?

A. Funding is available by visiting <https://www.ontario.ca/page/get-support-families#section-0>

- \$200 for children aged 0 to 12
- \$250 for children or youth aged 0 to 21 with special needs

Q. When will classes resume?

A. It was announced on Sunday by Education Minister Stephen Lecce that all publicly-funded schools will remain closed until at least May 31st, 2020, as part of an effort to keep students, staff and families safe from COVID-19. You are encouraged to stay up to date with the DDSB's response to the current situation by visiting our website at www.ddsbc.ca where you can find frequently asked questions, important mental health, well-being and community resources, along with other initiatives that are taking place.

Week at a Glance

- 28 Take a flight...
- 29 Being thankful...
- 30 [Make a poster...

Coyotes On The Go

Girls On The Go is going virtual this year and everyone in grades 4-8 are invited to join us and become a Coyote On The Go! Please check your homeroom google classroom for the link to the Coyotes On The Go website to get started. Let's continue to train towards a common goal while safely staying at home.

Carruthers Creek Community Building!

Daily community building days to keep us all connected while we are all away from the Creek.

Send us your pictures and it will be posted on our twitter page and newsletter.

Email your pictures to: Carruthers2020@hotmail.com
