REMEMBRANCE DAY—NOVEMBER 11th

World War 1 came to an end at 11:00 o'clock on November 11, 1918 and special services have been held on this day ever since the first one in 1919. This day was known as Armistice Day for many years. In 1931 the Canadian Parliament changed the name to Remembrance Day and November 11th is now a time to remember those who served Canada in past wars and also those who sacrificed their lives in military service.

Carruthers Creek will be recognizing Remembrance Day with a virtual assembly on November 11th, a link to the assembly will be sent to families shortly.

We will not be accepting cash donations this year. If families wish to make a donation, you can donate directly online to the Legion <https://www.legion.ca/donations>.

Carruthers Creek will also be showing support for the Armed Forces with RED (Remembering Everyone Deployed) Fridays. Students and staff can show their support by wearing red on Fridays during the month of November.

Elementary Progress Reports

Progress Reports will be sent home electronically on Wednesday, November 11th and with conferences taking place on the Thursday night and Friday morning.

Along with the progress report, the conference allows for parents, students and educators to discuss academic progress while developing important learning skills and work habits. It is an opportunity for our students to be reflective upon their goals they established earlier within the fall and how we can work together to support their growth.

Conference signup will be available until Wednesday, November 11th @ 9 pm.

CCPS Re-Organizing

With the number of our Coyotes transitioning to DDSB@Home next week, our staffing allocation has changed. Families that have been directly impacted by teacher assignments and/or their child physically having to be moved to a different classroom with a new teacher, were notified yesterday. We will be supporting them with their transition this week so they will be ready to go for Monday.

We would like to wish Mrs. Jan (K team), Ms Nadarajah (Grade 1 team), and Mrs. Rivett (French team) all the best as they transition to the virtual platform.

For our students remaining at CCPS, with the loss of 2 classrooms, our new class assignments and timetabling will begin on Monday. We wish our students heading off to DDSB@Home all the best and make us proud! Their last day at school will be on Thursday.

Families transitioning to the virtual platform will be provided with additional information this week by DDSB@home.

PROGRESS REPORTS WILL BE SENT VIA SCHOOLMESSENGER (EMAIL) ON WEDNESDAY, NOVEMBER 11TH LATE IN THE DAY.
